Services Provided

The Park Union Metropolitan District No. 2, formerly known as SW Downtown Metropolitan District No. 2 (the "District") and The Park Union Metropolitan District No. 2, formerly known as SW Downtown Metropolitan District No. 1 ("District No. 1") (collectively the "Districts") were formed under a Service Plan approved by the City of Colorado Springs, El Paso County, Colorado (the "City"), on September 26, 2017. The Districts' service area is located entirely within the City. The primary purpose of the Districts will be to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of public improvements and services as listed below.

At an election held on November 7, 2017, the voters approved general indebtedness of \$440,000,000 at a maximum interest rate of 18% for each of the following improvements and services: streets, water supply, sanitary sewer, traffic and safety controls, parks and recreation, mosquito control, television relay and translation, public transportation, security services, and fire protection/medical emergency services. The election authorized indebtedness of \$440,000,000 each for operations and maintenance, reimbursement agreements, and debt refunding. The voters also approved an annual increase in taxes of up to \$5,000,000 at a mill levy rate without limitation or with such limitations as may be determined by the board for the purpose of the District's operations, maintenance, and other expenses. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution.

Pursuant to the Districts' Service Plan filed with the City, the maximum debt mill levy for a residential district shall be 30 mills, which can be adjusted for changes in the method of calculating assessed valuation after January 1, 2006. The adjusted maximum debt mill levy is 33.167. The maximum debt mill levy for a commercial district is 50 mills. Pursuant to the Service Plan, the Districts are permitted to issue bond indebtedness of up to \$220,000,000.

The maximum operating mill levy for the payment of operating and maintenance expenses is 10 mills, which can be adjusted for changes in the method of calculating assessed valuation after January 1, 2006.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.
