**PARK UNION METROPOLITAN DISTRICT NO. 1
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Park Union Metropolitan District No. 1, formerly known as SW Downtown Metropolitan District No. 1 (the "District") and The Park Union Metropolitan District No. 2, formerly known as SW Downtown Metropolitan District No. 2 ("District No. 2") (collectively the "Districts") were formed under a Service Plan approved by the City of Colorado Springs, El Paso County, Colorado (the "City"), on September 26, 2017. The Districts' service area is located entirely within the City. The primary purpose of the Districts will be to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of public improvements and services as listed below.

At an election held on November 7, 2017, the voters approved general indebtedness of \$440,000,000 at a maximum interest rate of 18% for each of the following improvements and services: streets, water supply, sanitary sewer, traffic and safety controls, parks and recreation, mosquito control, television relay and translation, public transportation, security services, and fire protection/medical emergency services. The election authorized indebtedness of \$440,000,000 each for operations and maintenance, reimbursement agreements, and debt refunding. The voters also approved an annual increase in taxes of up to \$5,000,000 at a mill levy rate without limitation or with such limitations as may be determined by the board for the purpose of the District's operations, maintenance, and other expenses. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution.

Pursuant to the Districts' Service Plan filed with the City, the maximum debt mill levy for a residential district shall be 30 mills, which can be adjusted for changes in the method of calculating assessed valuation after January 1, 2006. The adjusted maximum debt mill levy is 33.167. The maximum debt mill levy for a commercial district is 50 mills. Pursuant to the Service Plan, the Districts are permitted to issue bond indebtedness of up to \$220,000,000.

The maximum operating mill levy for the payment of operating and maintenance expenses is 10 mills, which can be adjusted for changes in the method of calculating assessed valuation after January 1, 2006.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes

SUMMARY OF SIGNIFICANT ASSUMPTIONS

Property Taxes - (continued)

during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%		Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%		Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%		Lodging	\$30,000
			Oil & Gas Production	87.50%			

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.

Net Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 5%.

Expenditures

Intergovernmental Expenditures

Intergovernmental expenditures represent transfers to The Park Union Business Improvement District, formerly known as SW Downtown Business Improvement District, to provide funding for the overall administrative and operating costs for the Districts.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures – (continued)

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt and Leases

The District has no debt, nor any operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to The Park Union Business Improvement District, which pays for all of the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget. It is accounted for in the Park Union Business Improvement District.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
